Grace Church

A Parish of the Episcopal Diocese of Western North Carolina

A letter from the Rector of Grace Church
to those who are considering being married at Grace
in an Episcopal Church wedding

Dear Prospective Couple,

First of all let me wish you God's richest blessing on your upcoming marriage. Marriage provides a life together for two people that is intended, as *The Book of Common Prayer* says, *for their mutual joy, for the help and comfort given one another in prosperity and adversity.*

The Canons of the Episcopal Church require the Celebrant who presides at the Celebration and Blessing of a Marriage to do premarital counseling with the couple or to see that someone else does it. It is our hope that these sessions will be of value to the couple and will help them anticipate some of the challenges of married life.

The attached Guidelines may seem to you to be somewhat restrictive. The reason for them is that, in the Episcopal Church, the marriage service is primarily a worship service in which we hope to honor God. For this reason all Episcopal marriages performed at Grace Church will be conducted in accordance with *The Book of Common Prayer*, which outlines all Episcopal worship services.

Other guidelines included in this packet were written in an effort to produce uniformity so that every marriage service, for the rich or for the poor, is basically the same. This means that the Church is adorned tastefully and beautifully for all who are married here. For example if a couple cannot afford flowers for the chancel, the Altar Guild of our parish will provide them.

We, the clergy of Grace Church, will do everything we can to work with you before, during and after the wedding service. It is our hope that wedding services at Grace will bring glory to God, will honor the couple being married and will be a reminder to all in attendance of the sacredness of marriage.

Yours in Christ Jesus,

The Rev. Gary K. Coffey

A letter from the Rector of Grace Church

in a Christian Service other than that of the Episcopal Church

Dear Prospective Couple,

The attached Guidelines may seem to you to be somewhat restrictive. The reason for them is that the marriage service is primarily a worship service in which we hope to honor God. For this reason, all marriages performed at Grace Church will be conducted in a way that shows reverence to God and is a joyful celebration of the beginning of life together for the couple being married.

The Wedding Team

- **Valerie Heavens, Church Office Manager.** Valerie is your initial contact for booking your wedding. She will help you to reserve your date, and receive your application when you are ready to book your wedding. She is available to be contacted with questions or concerns that are not handled by the Wedding Coordinators. You can contact her by phone or email, and she will return your message during church office hours. (Monday through Thursday, 9:00 a.m. to 4:00 p.m. except Holidays.)
- **Mary Israel, Chair of the Flower Guild.** Mary will handle arrangements for flowers in the Chancel area of the sanctuary for your wedding. Once your wedding is booked, please contact Mary Israel to make arrangements for the Altar flowers. The regulations for flowers can be found under the heading, **Flowers for Your Wedding.**
- **Cheri Potter and Elaine Potter, Co-Chairs of the Wedding Team.** We will arrange for you to have a tour of the church, including the sanctuary and the rooms available for you to use. We help get information about weddings coordinated between Grace Church and the wedding team. We are also members of the wedding team.
- **Grace Wedding Team.** Volunteers from Grace Church. We serve as consultants to the bride and groom, and possibly their families. We work with one couple at a time, helping with questions and decisions. Generally, there will be two members of the team helping you, along with the aid of either Cheri or Elaine. One will be designated as the Planning Coordinator and the other is designated as The Day of Wedding Coordinator.

Scheduling, Fees and Financial Arrangements for Booking your Wedding

Check on-line to see available dates. An "Available Dates" link can be found at <http://graceepiscopalchurch.us/weddings-at-grace/> If you do not have on-line access, feel free to call the church office at 828-254-1086, ext. 10

A wedding is not scheduled or booked until the Office Manager receives the signed wedding agreement along with half of the total cost of the facility rental. The Office Manager handles all the financial arrangements (fees, deposits and funds). **Please note:** Weddings are generally scheduled on Saturdays, with the rehearsal scheduled on Friday evening. Weddings and rehearsals must be scheduled to begin no later than 5:30.

Once you have requested a date, we will need to receive your **signed Wedding Agreement form and deposit within one month to lock in the date you request.** The remainder of the fee is due 6 weeks before the wedding date. If you decide you are not going to have your wedding at Grace, we would very much appreciate you letting us know as soon as possible so we can release the date and make it available for other couples. Thanks!

**Please talk to us if have special circumstances and need more time. If we have not heard from you, nor talked with you after a month, we will release the date and post it as "Available."

Fees for Non-Members

For the Church: \$2000.

Fees and Special Considerations for Pledging Members: Members please inquire.

Important Things to Note:

Ministers: Contracting with a minister for your wedding is your responsibility. Your Planning Coordinator can provide names of Episcopal priests available for Episcopal weddings and the required counseling. Weddings held at Grace Episcopal Church must be performed in the Christian faith. Ministers are paid directly by the couple, not through the church.

Music: Classical or sacred music is used for weddings at Grace Church. We do not allow pre-recorded music for weddings. Contracting with a musician is the responsibility of the couple. Your Planning Coordinator can provide a list of musicians. Again, the couple is responsible for direct payment to the musician.

The payments to the minister, musicians, organist, etc. are paid by the couple, not the church. We suggest these people be paid in advance or the day of the rehearsal.

North Carolina Marriage License Requirements

By North Carolina state law, each couple must purchase their marriage license themselves at any local North Carolina Registrar of Deeds office. The minister cannot purchase or provide this for the couple. A marriage license is required for weddings taking place in Grace Episcopal Church.

For couples wishing to marry, both individuals must be present when applying. \$60 cash payment is due at the time of application. Immediately upon issuance, the license is valid for 60 days.

Regardless of where the wedding actually takes place, you may use a license issued at any NC Register of Deeds office, but the signed license must be returned to the issuing office for filing.

Both applicants must provide identification:

- 21 years of age or older may use:
 - current driver's license
 - current State ID card
 - current Passport
 - current Military ID
- 20 years or younger must have a certified copy of their Birth Certificate and meet all requirements of their county
- Both applicants must provide their Social Security numbers with verification through their Social Security Cards or W-2 Forms

Seating Capacity of the Sanctuary

Grace Episcopal is not a large church. About 155 to 160 people can be comfortably seated in the Sanctuary. If more seating is needed, up to 20 guests may be seated in the choir area. Folding chairs may not be used.

Use of the Church on Your Wedding Day

As stated in the Wedding Agreement, the wedding party's use of the church on the wedding day is limited to 4 hours. Before planning when to arrive, consider what you will need to do after arriving at the church. If you are coming dressed for the wedding, 2 hours may be time enough. If you will be dressing at Grace, you may need 3 to 3 ½ hours. You may, of course, have the entire 4 hours. Keep in mind, participants may become tired and impatient if waiting too long.

You may bring snacks so you will not start the wedding hungry. This does not mean a full lunch party! Snack suggestions: fruit, veggie sticks, yogurt. Consider non-carbonated beverages such as lemonade.

Please let the Planning Coordinator know when you plan to arrive so, the church will be open for you.

The church is open from 8:30 to noon on Saturdays. Please request that your florist bring the flowers at that time.

On Saturday evening, after the wedding and the 30 minutes for photos in the church, the church is prepared for Sunday. Cleaning is completed and the church is closed about 1 hour after the wedding. Please be sure to take all your belongings, including pew marker flowers, etc. when you leave. We would appreciate keeping 3 or 4 of your programs for our file.

It's a good idea to assign someone, a friend or relative, to help gather everything after the wedding, before the church is locked. If you are dressing at church, we suggest you please gather all your clothes, etc. and lock them in a car before the wedding starts.

Flowers for Your Wedding

All flower arrangements and questions about flowers for the church are handled by Mary Israel, our Flower Coordinator and Flower Guild Chair. Mary can be contacted at: 828-253-2167 or. 828-230-1396 or tobarranged@bellsouth.net

Please do not make any flower decisions before contacting Mary.

Altar Flowers

Altar Flowers are required for all weddings. All Altar Flower arrangements must be discussed with Mary before you make any decisions. The Altar Flowers are the two arrangements that are on the wall behind the choir area. These flowers will remain for the Sunday service. There are several options for the provision of the Altar Flowers.

- The Grace Flower Guild lovingly creates flower arrangements for our Altar Flowers. You may choose to use the flowers the Flower Guild creates for use at your wedding with no charge.
- If you have a specific request for flowers, the Flower Guild will arrange the flowers of your choice for the Altar Flowers for a fee of \$150.
- If you want exotic flowers, or the flowers you choose are not suitable for our church calendar, Clement's Florist only may provide flower arrangements for those two shelves at your cost. We use Clement's Florist because they are familiar with our altar vases.
- Any flowers on those shelves will remain at the church for Sunday services. We will post your name in our bulletin stating that the Altar Flowers were donated by you in Thanksgiving for your wedding.

The following flower decorations are also permitted:

1. Wreaths for the outside of the entry door, south side, off the sidewalk
2. Pew markers may be flowers, greenery or bows. Candles may not be used. Please attach the markers to the end of the pews and without damage to the church pews.
3. An arrangement may be placed on the offertory table in the rear of the church.
4. Flower petals may be scattered along the center aisle. You do not need to worry about removing them as the sexton will clean them up after the wedding.
5. Tossing confetti, rice, birdseed, etc. is not permitted inside or outside the church.
6. We do not allow a runner. Our floors are slippery and we don't want anyone getting hurt.

Candles

The candles on the Altar, the ones by the Lectern and the Paschal Candle will be lighted for the wedding. They will not be moved to another location. White candles, 6 to 8 inches tall, with glass globes, are available to rent from the Flower Guild. These globes will be placed on the window sills. Once they are in place, you may add small flowers and/or greenery around them. They will be lighted before the guests arrive. The fee for the candle globes is \$40. Please let Mary Israel, our Flower Guild Chair, know you want them.

Chancel Furnishings

Many of the furnishings of Grace Church, especially items within the Chancel area, were memorial gifts and many are old. We do not permit them to be moved without permission and assistance from a Wedding Team member. Please respect our wishes.

Our Altar will not be moved. A fair white linen, or in some seasons, a white satin frontal will be spread on the Altar, with two brass candlesticks placed upon it. With the exception of the church Gospel book, or the minister's own Bible or Prayer Book, or the set-up for Communion, nothing else will be in the altar. White satin hangings will be on the lectern and pulpit.

- The Chancel may be used for groups of two to four musicians and chairs may be rearranged for them. Alternatively, musicians may be seated in the choir area.
- If chairs are moved, please lift them. Please do not drag or push them over the floor
- Readers and soloists may be seated on the bench by the organ.
- Chairs and small tables not being used will remain in place.
- Musicians or readers may not use the Bishop's Chair, nor will it be removed.
- The kneelers, the rug in front of the altar and the church banners may not be moved.
- Hymnals or other books on and under the chairs may be moved to chairs in the choir area.
- As stated earlier under Flowers, no runner may be used.
- The podium and small table in the rear of the church may be moved to the foyer and used for programs or a guest book.

Please discuss any rearrangements with the Wedding Team.

Photographs and Videos

We welcome professional photographers at Grace Church. However, a wedding is a sacred ceremony and we strive to uphold the dignity of the ceremony, as well as to avoid disruptions and distractions.

Therefore, your photographer should be aware of these limitations. We suggest you give this information to the photographer well before the ceremony so they can bring the proper equipment to capture the best pictures possible.

Flash photos are only allowed as the bride enters the church, and as the bride and groom leave the altar.

During the ceremony: Non-flash photos may be taken from the rear of the Sanctuary, behind the last pew, or from the 3rd short pew on either side. You can reserve the 4th short pews, if your photographer plans to use them. Photographers are not allowed to use the center aisle or side aisles during the ceremony. Nor are they to use the area in front of the pews.

Video Recording is permitted, only if out of view from wedding guests and no additional lighting is used. It must be set up ahead of time and not moved during the ceremony.

Before and After the Ceremony: Photos taken in the Sanctuary should be completed before guests begin arriving. Once the ceremony is over and the guests leave, photos may again be taken in the Sanctuary for 30 minutes.

Wedding Guests are asked to not take photos during the ceremony, nor as the wedding party are entering or leaving.

Suggestions for What to Do When for Planning Your Wedding

9-12 months before the wedding, or as soon as you have booked Grace Church:

Choose the minister who will be performing the ceremony. If you want to use your own Minister, it's advisable to discuss the date before you book the church. If you need a local minister, we can provide a list for you. We suggest paying the minister at the Rehearsal.

5-6 months before the wedding

Decide what kind of music you want: organ, piano, strings, vocalist. Check the Guidelines, as there are a few requirements on the music. Book the musician or musicians at this time. If you need help finding a musician(s), we can provide you with a list. We suggest you pay the musician(s) at the Rehearsal.

4 months before the wedding

Order your flowers. Be sure to check the Guidelines for the Altar Flowers in this manual. Please be sure the flowers will be delivered in the morning on the day of the wedding to Grace Church. The church is open on Friday from 8:30 to 11am. The church is open Saturday from 8:30am to 12:30pm.

6-8 weeks before the wedding

Order the programs for your wedding. Having a program is optional, unless the minister requires one. Episcopal Priests expect a program. If the congregation will be participating in hymns or readings, having a program is helpful. It is also helpful to provide page numbers from the Hymnal, Bible or Book of Common Prayer. We can help you with page numbers for our books, just ask your Planning Coordinator.

Remember, we are here to help! Please call your Planning Coordinator for assistance!!

HISTORY OF GRACE EPISCOPAL CHURCH

The history of Grace Episcopal Church is based on faith, self-sacrifice, vision and commitment. Grace Church began primarily through the efforts of three men, Reverend Jarvis, the first rector at Trinity Church, Asheville, Frank J. Murdock and General James Green Martin, lay readers at Trinity Church. Those men decided on the location of the mission, raised donations and began the construction of a log chapel known as Beaverdam Mission in 1867. By the 1880s the mission has become Grace Mission or Grace Chapel. The name came from the little community of Grace two miles north of Asheville where the chapel was located.

The Reverend William F. Rice and his family moved into a new rectory in 1891 and provided capable and devoted leadership for the mission until ill health forced him to retire in 1907 to move to his farm near Riceville.

Largely because of the efforts of the C. T. Chester family, the drive for a new church building culminated in the construction of the present stone church called Grace Memorial in 1905. The noted English architect Richard Sharpe Smith directed the design and construction. He was the supervising architect for the Biltmore House and a student of rural churches in his native England. Grace Church is an outstanding example of that style of Gothic architecture.

Unfortunately by the early 1920s Grace had reverted to the status of an unorganized mission. There was no priest-in-charge although Sunday school and Sunday services were continued during the next two decades. Lay readers played an active role in maintaining the activities of the church until 1949 when all services were discontinued for several months.

At that time Bishop M. George Henry approved the reopening of a Sunday School at Grace Church under the direction of Porter L. Crisp. For a time the church school was made up largely of boys and girls

from Buncombe County Children's Home that was located nearby.

Growth and development followed rapidly with Grace church once more becoming an organized mission in 1950. In 1960 Grace became a self-supporting parish under the directions of the Reverend Frederick Volbeda. Increased membership and pressure on facilities led to the enlargement of the parish house to provide new classrooms, a new study for the rector and a fine new kitchen. Those additions were consecrated in connection with the celebration of the church's centennial in 1967. Again in the 1990s much-needed additions and renovation were completed.

In 1967 the Reverend William G. Edwards became the fifth rector of Grace Church. Those were years of growth, innovation and solid accomplishment. Upon his retirement in January 2000 Grace had grown from 261 communicants to more than 700. In June of 2001 the Reverend Gary Coffey became the sixth rector of Grace Church. He has made contributions of great significance to the life of Grace and its ministry and mission. The parish has been further enriched by the ministries of the Reverend Robert F. Reese, priest associate, and his wife Jeannette who serves as deacon.

And Grace Parish continues to flourish.

We are grateful to all those, named and unnamed, who have given so much over the years in treasure, time and talent.
